

# FALL REFRESH CLASSES

October 5<sup>th</sup> – December 21<sup>st</sup>

Sundays @ 9:45am

## WOMEN'S CLASS – LUANN HICKEY

This class is an ongoing class of reading and studying through whole books of the Bible with the pastor's wife. The class is an open-forum style where discussion and sharing are encouraged and welcomed. Needs and concerns can be expressed in a safe environment and the class has the great privilege to pray for and encourage each other as we are on the journey with Him and one another. Through these Bible studies designed specifically for women, you will grow in your relationship to God and get practical, biblical perspectives on marriage, family, work, and more! The class time is spent in the Word, fellowship, prayer and ministry for the wonderful daughters of our King at CCF. (Room N-1 in North Buildings)

## THE RIGHT NOW VOICE OF GOD – MARTY & LORI THOMAS

### YOUNG MARRIED COUPLES (20'S, 30'S & 40'S)

Does God speak? If so, what is He trying to say and how can we hear Him? Does He care about the seemingly insignificant details of our lives or is He simply too busy taking care of "Kingdom business"? These questions and more we will answer during this twelve week study as we examine the lives of men and women of the Bible who faced difficulties, discouragement, and even dangerous life-situations. We will discover how God spoke to them in their exact moment of need; leading, guiding and providing for them. As we explore God's design for His people, we will learn that Father God not only wants to communicate with His people, but commune with them on a personal level – He wants a "Right Now" relationship. (Room N-3 in North Buildings)

## BOOK ENDS – A SCIENTIST PERSPECTIVE – DR. DON CLARK

Don has a Ph.D. in Physical Biochemistry and is a board member of Creation Moments Ministry and Radio. We will continue our foundational study of our Beginnings and End in this series called, "Book Ends". In our Genesis series we looked at our origins and the result of sin culminating with the Global Flood. In this series we will continue in Genesis through the scattering of the people at the Tower of Babel. We will then jump to Revelation to start exploring its link with our Beginnings and seeing the ultimate end

to man's rebellion. Are we in the "End Times"? Is the fullness of the Gentiles complete? Is God about to form "The One New Man"? Will Jesus return soon? Is the Bride ready? So come and bring your questions. (Room 114)

## EVERY MAN'S/WOMAN'S BATTLE, OCT 12<sup>th</sup>–DEC 14<sup>th</sup> - HEATH & ALISA STONER, JASON & BETSY HARTONG

In this class, come with your son/daughter and go through a discussion about the potential pitfalls that can occur as sexual beings. Discuss ways to be victorious as the topic of our sexuality is explored. This class is designed for Fathers & Mothers to come with their 12-19 year old children. Classes will be held separately with men and women. (Men – Sr. High building; Women – Jr. High building)

## PRAYER & INTERCESSION – LARRY & JAN SIDES

At CCF prayer is not something we *do*; it defines who we *are*. We are a praying people. Through prayer, we grow in our personal relationship with God. Through intercession, we partner with God to establish His heart, His will and His purposes in our families, our church, our city, our nation and the world. Prayer is engaging, exciting and rewarding. Wherever you are in your personal prayer life, God wants to take you higher. We are here to serve you in that quest! The rewards are eternal! Come join us each Sunday morning for a time of soaking in His presence and a time of prayer and intercession for others. If you are in need of prayer, we are available each Sunday morning so please come to the class and allow us to pray for you and your needs. (Room N-4 in North Buildings)
