

WINTER REFRESH CLASSES

January 8th – March 19th

Sundays @ 9:45am

WOMEN'S CLASS – LUANN HICKEY

For well over a decade now, the CCF Women's Refresh Class has explored God's Word book by book using an interactive discussion format. The *goal* of these discussions is to uncover the enemy's unique strategies against women. The *hope* is to better understand and cooperate with God as he trains our hands for battle for the sake of the next generation. Our *focus* is on applying God's word to our lives as He gives fresh revelation by his Spirit. Led by LuAnn Hickey (Room N1, North Buildings).

MEN'S CLASS – THE FOUNDATION SERIES – TERRY HOWLETT

"God said it, I believe it, that settles it!" But what is "IT?" And do we really believe "IT?" We all have a worldview or glasses we see through to guide our thinking about everything. Many of us are building our lives on a foundation of shifting sands of the modern culture. This study is based on Hebrews 6, "the elementary doctrine of Christ" and 50 years of walking with the Lord throughout the world and near death experiences of mine and my wife, Nina. We will study and examine: 1) Repentance from dead works, 2) Faith toward God, 3) Instruction about baptisms, 4) Laying on of hands, 5) Resurrection of the dead, and 6) Eternal judgement. These may not seem foundational to us, but the Bible says this is the basis for maturity of every believer. "And this we shall do, if God permits" (Hebrews 6:3). Led by Terry Howlett (Room N2, North Buildings).

TEACHINGS & COMMANDS OF JESUS – BOB COLLINS

Maybe you have asked questions like these from time to time: "As a Christian, what is it that I am supposed to do? What is it that the Lord requires of me? Why is it important to study the specific teachings of Jesus? What is God's will for my life?" Jesus very clearly stated that His will was orchestrated by the will of the Father. He did nothing on His own initiative. Studying the teachings of Jesus gives us direct insight into the will of the Father for our lives. Come join us for this class and you will be challenged and gain insight for the will of God for your life. Led by Bob Collins. (Fellowship Hall)

MONEYLIFE PERSONAL FINANCE STUDY – KELLAM NEWELL

Getting or keeping finances in order is a major component in achieving a happy life, marriage and family. This study allows you to hit the ground running by taking a snapshot of your finances, showing you next steps to improve your financial house, and finally, helping you develop a plan that you can actually stick to. It is put out by Crown Financial Ministries, co-founded by Larry Burkett. Sign up at the Info Center or online at moneylife.ccfindale.org. Kits are \$50 each (DVD is included). Couples may share a kit. Led by Kellam Newell (Room N3, North Buildings).

THIN WITHIN/SALT LIFE – LIZ COWDEN

Living from the inside out, not outside in is what Thin Within/Salt Life is exploring when it comes to food, health, and our bodies. Rather than focusing efforts on what the world says to eat and do to be healthy, we are seeking to know what God says and then support one another to walk in this freedom and responsibility. Jesus promises us freedom as we focus on Him and work with Him in order to please Him with our bodies, His temple. Led by Liz Cowden (N4, North Buildings).
