MEN'S CLASS – DR. MATTHEW NASH – LIGHT IN THE DARKNESS

"A Light in the Darkness" is a time of bible study and focused prayer. In this bible study we will journey into the lives of those the Lord has called into a "dark" and ungodly environment. We will focus on biblical figures such as Joseph, as he is forced into slavery in a strange and heathen land, Abraham, as he travels from a land of comfort to a land of foreign Gods and customs, and many other biblical figures as they are either called by God or moved by circumstances into a place where they are the lone spiritual light in a region of darkness. We will also discuss the current places in the world today where spiritual darkness seems to reign and see how the scripture can guide our prayer and our support of those called to the places on the earth that seem to have too little Godly light. (Class is located in N2.)

CHRISTIAN GROWTH AND MATURITY – MARCOS DOS SANTOS

Christian Growth and Maturity is a study based on four areas of growth in Jesus' life as described in the Gospel of Luke Chapter 2, verse 52, "Jesus grew in wisdom and stature, and in favor with God and man." In this study, participants will examine each area of Jesus' development and will also review the wisdom for balanced growth and maturity found in the letters sent by the apostles to the Christians of the first century. (Class is located in N3.)

THIN WITHIN – LIZ COWDEN

Do you have your new diet ready? How about an exercise plan? Maybe you have lost hope that anything will ever change with your life habits. Maybe you are thinking that in the light of where things are in this world, this issue is insignificant. But, what does God say? Join us for our study Thin Within to discover what God has to say about our body, His temple and the hope and grace He gives us to walk in this journey. We will delve into our identity in Christ so that we no longer depend on the world for what we should look like, eat, or live. This is a journey of freedom in Christ. The truth will set you free and you will be free indeed! (Class is located in N4.)
