

SUMMER REFRESH CLASSES

July 2nd – September 17th, 2017

Sundays @ 9:45 a.m. – 10:45 a.m.

WOMEN'S CLASS – LUANN HICKEY – STUDYING GOD'S WORD

Women, join us as we seek to uncover the enemy's unique strategies against women. We will better understand and cooperate with God as he trains our hands for battle for the sake of the next generation. Our focus is on applying God's word to our lives as He gives fresh revelation by His Spirit. Come and join us on this journey through the Word of God. (Class is located in N1.)

MEN'S CLASS – CODY BENNETT – THE QUEST FOR MASCULINITY

Come be a part of a study where we take a look at what it is to be a man of masculinity in today's world. "There is very little honor left in American life. There is a certain built-in tendency to destroy masculinity in the American man" (Norman Mailer). We will explore Genesis thru the Gospels and cover Bible stories with examples of godly men. Join us as we discuss prayer, discipleship, mentorship, and more. (Class is located in N2.)

FAMILY CLASS – LARRY HURT – FAMILY LESSONS FROM THE PROVERBS

A study of the Bible will show that the Lord gives primary responsibility to parents, to teach His ways to their children. (Deut. 4:9) The Proverbs teach from a parent's point of view, revisiting principles which are "the way of wisdom" (Prov. 4:11) or "the way of the Lord" (Prov. 10:29), consistently and repeatedly. There is no mention of the government, or schools, or even religious institutions as the primary source of passing on the wisdom, truth, understanding, and knowledge of God in the Proverbs. Rather, it is the teaching of parents, both father and mother, that is highlighted again and again. These lessons, learned at childhood, are designed to encourage growth in the character trait of: humility before God, and a teachable spirit in adulthood. (Class is in the Fellowship Hall.)

THE BOOK OF DANIEL – DR. DON CLARK

Daniel was one of two authors of the Bible who was called beloved of God. The other was John who wrote the book of Revelation. Both were given insights into future end-times events. For Daniel, God gave him, among many other insights, the interpretation of King Nebuchadnezzar's dream that turned out to be an outline of world history including the end-times. The prophecies in the book of Daniel are so incredible and accurate that many have suggested that they were written after the fact, which of course they were not. For example, the prediction of the Messiah's coming was accurate to the day! If you have ever been skeptical of the accuracy of the Bible, then this study is for you. In our study we will explore all of these, their relevance for today and what's happening on the global scene. Through this study we will gain many amazing insights of who Jesus is and his love for us. Come let us explore this amazing book together. (Class is located in N3.)
