

FALL REFRESH CLASSES

October 1st – December 17th, 2017

Sundays @ 9:45 a.m. – 10:45 a.m.

WOMEN'S CLASS – LUANN HICKEY – STUDYING GOD'S WORD

Women, join us as we seek to uncover the enemy's unique strategies against women. We will better understand and cooperate with God as he trains our hands for battle for the sake of the next generation. Our focus is on applying God's word to our lives as He gives fresh revelation by His Spirit. Come and join us on this journey through the Word of God. (Class is located in N1.)

MEN'S CLASS – SONNY JAYNES – THE MYTH OF A CHRISTIAN RELIGION

In life, Jesus consistently portrayed the beauty of God's kingdom and in so doing, revolted against the world's greed, pride, and oppression. Using Dr. Gregory Boyd's book, "The Myth of a Christian Religion" as a guide, in this class we will attempt to bring to light how you can live a revolutionary life of true kingdom influence, not by power or passivity, but through the character and spirit of Christ. It looks as if even in the church, we have followed men who promised ease and have built on sinking sand. Come join us as we find out what Jesus meant when He said, "the kingdom of God is within you." (Class is located in N2.)

MARRIAGE CLASS – TOM & MARIELA SLOAN – EVERY GREAT MARRIAGE

All marriages experience rain, winds and sometimes even floodwaters. God never promised otherwise. In the midst of storms, even hurricanes, our foundations are exposed. Jimmy Evans, of Marriage Today, says: "Great marriages do not happen by accident – and they are not a matter of chemistry or luck – they are the result of intentional living." Whether you are a veteran or a rookie, doing well or barely getting by, come and join us as we learn and grow together. (Class is in N3.)

THE BOOK OF DANIEL (CONTINUED) – DR. DON CLARK

Daniel was one of two authors of the Bible who was called beloved of God. The prophecies in the book of Daniel are so incredible and accurate that many have suggested that they were written after the fact, which of course they were not. For example, the prediction of the Messiah's coming was accurate to the day! If you have ever been skeptical of the accuracy of the Bible, then this study is for you. In our study we will explore all of these, their relevance for today and what's happening on the global scene. Through this study we will gain many amazing insights of who Jesus is and his love for us. Come let us explore this amazing book together. (Class is located in the Fellowship Hall.)

THIN WITHIN – RON & LIZ COWDEN

Do you have your new diet ready? How about an exercise plan? Maybe you have lost hope that anything will ever change with your life habits. Maybe you are thinking that in the light of where things are in this world, this issue is insignificant. But, what does God say? Join us for our study thin within to discover what God has to say about our body, his temple and the hope and grace he gives us to walk in this journey. We will delve into our identity in Christ so that we no longer depend on the world for what we should look like, eat, or live. This is a journey of freedom in Christ. The truth will set you free and you will be free indeed! (Class is located in N4.)
