### **BIBLE CLASS – HOSTING THE PRESENCE – RON & SUSAN MINATREA**

In this eight-session curriculum, ideal for small groups, Bible studies, and church classes, Pastor Bill Johnson takes you on an unforgettable journey, answering these questions from Scripture and shows believers what it looks like to host God's Presence in their everyday lives. If you have ever wondered how God's presence can impact your life, if you can walk in miracles and power, and how to hear the Holy Spirit, this study is for you. Prepare to encounter God like never before and transform the world around you by hosting His Presence! (Class is in the Worship Center.)

### **BIBLE CLASS – GOD SPEAKS – MATTHEW NASH**

Is the voice of God a huge mystery to you? Do you feel like you struggle to hear from the Lord, to discern His voice from all the noise? Have you ever wanted to look at the many ways God has communicated with His people in scripture? Have you wondered why God says some things one way and some things another? Why does He make some points so easy to understand and some seem, well, not so easy? This is an exploration of the diverse strategies God uses to communicate with us. We will look at many types of godly communication, such as: the foundation of scripture, truth-telling proverbs, the gifts of the spirit to edify, prophecy, nature, signs and wonders, silence, and much more. All discussions will be anchored on the scripture to bring discernment, clarity and understanding. (Class is located in N2.)
