

Yes, we are saved by His grace—but we are called to be responsible disciples, learning to follow Christ by obeying God's will. If we want God to hear your prayers, surrender your selfishness and stubbornness to Him, and then humbly seek His will. Obedience is the master key to effective prayer.

Hope For Each Day
Billy Graham

Roots define the future of the tree. In order to harvest abundant, good fruit one must take care of a tree's roots. Grumbling and blaming are the fruit of the sick roots in our hearts, and the evidence of decay is revealed in our words.

The call to gratitude is the invitation to a life of tending and guarding the inner gardens of our hearts, remembering that “the mouth speaks what the heart is full of” (Matthew 12:34).

Spirituality of Gratitude
Joshua Kang

Gratitude heals us and holds us,
tethering us to one another, offering us
joy and strength. Let us enter deeply
into the world of gratitude. Let us learn
the language of thanksgiving as we
journey on.
